REGISTER TODAY AND WE'LL WAIVE THE \$15 ADMISSION FEE

CONNECTIONS

- See the latest **equipment, instruments, tools, materials, and supplies used in wire and cable harness assembly, inspection, and repair**—many premiered at Productronica in Germany and are now available at this show—**just an hour from O'Hare International Airport** in Chicago.
- Meet over **180 world-class suppliers and service companies offering show specials.**
- Find **powerful solutions** for wire harness processes, and get the latest updates on A-620, A-630, and future technologies during **FREE technical seminars** led by industry experts.
- View **coil winding equipment** and attend **short courses** in the Electrical Manufacturing & Coil Winding Expo Pavilion.
- Networking opportunities are available throughout the show, including the **VIP Party on Wednesday night**, creating a comfortable, collaborative environment for all.
- Attending every year helps you **strengthen partnerships** and **establish new alliances** to grow your business. Your competitors will be there and you should be, too.

Do you use any of these technologies in your process?

- Cutting & Splicing
- Wire Harnessing
- Connectors & Accessories
- Crimping & Testing
- Wire Soldering
- Fiber-Optic Processing
